

Neometals Final Stage of ELi™ Pilot Trial Commences

Neometals (ASX / AIM: NMT)

Announced the commencement of the final Electrolysis stage of a pilot test work program by Reed Advanced Materials Pty Ltd.

RAM, the 70:30 Neometals incorporated joint venture, with Mineral Resources Ltd, is commercialising its proprietary ELi™ Process.

Neometals ELi process explained

Neometals Final Stage of ELi™ Pilot Trial Commences

Neometals Ltd (ASX: NMT & AIM: NMT) (“Neometals” or “the Company”), is pleased to announce the commencement of the final Electrolysis stage of a pilot test work program (“Electrolysis Pilot”) by Reed Advanced Materials Pty Ltd (“RAM”). RAM, the 70:30 Neometals incorporated joint venture, with Mineral Resources Ltd, is commercialising its

proprietary ELi™ Process (“ELi™”).

ELi™ uses electricity to convert lithium chloride solutions into lithium hydroxide monohydrate (“Primary Product”) in a conventional chlor-alkali cell, replacing large volumes of reagents required in the industry standard, chemical precipitation flowsheet. ELi™ has the potential to deliver users a step-change in operating costs.

Highlights:

- Final Electrolysis stage of ELi™ Process pilot trials has commenced in Canada at NESi, the testing facility of electrolyser vendor, NORAM;
- The test work will electrolyse a purified lithium chloride solution from an operating South American brine source and produce lithium hydroxide as the primary product; and
- The long-duration (1000hr) component of the trial will provide data confirming expected power consumption, membrane life and product quality to support ongoing technology licensing activities.

City Investors Circle is based in the financial district in

the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=====

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.
