NOUVEAU MONDE ANNOUNCES
APPOINTMENT OF JOINT
FINANCIAL ADVISORS FOR

MATAWINIE PROJECT

July 21, 2021|

MONTREAL, CANADA, July 21, 2021– **Nouveau Monde Graphite Inc.** (“Nouveau Monde” or the “Company”) (NYSE: NMG, **TSXV : NOU**; Frankfurt : NM9A) has appointed SD Capital Advisory Limited (“SDCA”) and GKB Ventures Limited (“GKB”) as joint financial advisors to assist it with the structuring and arranging of project financing, with a focus on Export Credit Agencies (“ECA”), for the development of the Company’s flagship Matawinie Graphite Mining project in Québec, Canada.

SDCA is a London-based independent financial boutique which focuses on securing project finance for corporates and mining/resources companies in developed and frontier markets. The firm specializes in strategic business advisory, financial modelling and credit analysis. The team consists of experienced finance professionals with major multinational, banking and emerging markets experience that is complemented by geological and process engineering expertise.

GKB is an independent consultancy helping clients to secure cross-border transactions and access international finance via ECAs. GKB delivers knowledge and access to government-supported schemes, including ECA financing, creating bespoke solutions which are scaleable for the long term.

Nouveau Monde management comments

“With the commencement of construction activities at our Matawinie property, we have a clear roadmap to building, commissioning and delivering what is projected to be the largest North American graphite operation.

“SDCA and GKB will help further refine our project financing parameters and assist us to gain access to international debt finance, a strategic step in developing a sound capital structure that supports our long-term growth.”

Eric Desaulniers, President and CEO of Nouveau Monde

“We are attracted by the exceptionally strong characteristics of the Matawinie Project and Nouveau Monde’s industry-leading ESG characteristics using sustainable and innovative development measures and commitment to a tailor-made climate action plan.

“The global electrification and clean energy transition is well underway and the strategically located Matawinie Project is well positioned to provide a responsibly sourced, carbon-neutral product to help meet this burgeoning demand.”

David Buckle, Chairman of SDCA, and Gabriel Buck, Managing

Director of GKB
