

# OneCoin still active in New Zealand as Samoan churches investigated

[OneCoin](#)

New Zealand authorities are investigating the involvement of Samoan churches promoting OneCoin to their parishioners.

US authorities have also allowed former OneCoin founder Ruja Ignatova to be served via alternative service via the OneCoin Dubai office, and her previous email address.

New Zealand authorities are investigating the involvement of Samoan churches promoting OneCoin to their parishioners, after being sold “tens of thousands of dollars” worth of OneCoin products.

In other OneCoin related news, US authorities have also allowed former OneCoin founder Ruja Ignatova to be served via alternative service via the OneCoin Dubai office, and her previous email address. Ignatova disappeared over a year ago and her whereabouts are currently unknown.
