

Orko Silver management return with OK2 Minerals

OK2 Minerals {TSX,V: OK} is a new company, and is being run by some of the former management of **Orko Silver**, a successful silver exploration company that was sold to **Coeur d'Alene Mines Corporation {TSX: CDM}** in 2013.

OK2 MInerals have a new copper gold project in British Colombia, Canada.

They have cheekily used their old epic of 'OK', which was the symbol for their former company, Orko Silver.
