Orla Mining (TSX: OLA) Management reviewed the September 2021 Q3 earnings, and delivered a positive report on the construction of their Camino Rojo gold oxide mine construction in Mexico.

Everything is on track and on budget, with construction close to completion.

A transcript of the Q3 call can be found HERE.

Orla have a healthy cash balance after having closed a C$35 million financing during the quarter.

The first gold pour is close and project execution this far has been excellent, especially when one considers it has been running through a pandemic, and Mexico has suffered badly.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
