# Orla Mining Declares Commercial Production at Camino Rojo

VANCOUVER, BC – March 31, 2022 –**Orla Mining Ltd. (TSX: OLA; NYSE: ORLA)** (“Orla” or the “Company”) is pleased to announce the declaration of commercial production at the Camino Rojo

Oxide Gold Mine (“Camino Rojo”), effective April 1, 2022.

## Orla Mining management comments

*“In reaching commercial production at Camino Rojo, we have completed our transformation from explorer through developer to producer in three years.*

*“Today, the team will celebrate this success but tomorrow we will focus on how to grow our production.*

*“The declaration of commercial production at Camino Rojo comes after a successful commissioning period which included the ramp up of mining and processing to sustained throughput levels in excess of 75% of designed nameplate capacity of 18,000 tonnes per day.*

*“All major construction activities have now been completed and Camino Rojo has demonstrated its ability to sustain ongoing production levels.*

*“The operation will continue to seek opportunities to improve and optimize the throughput and availabilities to achieve and ultimately exceed design nameplate capacities.”*

Jason Simpson, President and Chief Executive Officer of Orla Mining.

## About Orla Mining Ltd.

Orla is operating the Camino Rojo Oxide Gold Mine, a gold and silver open-pit and heap leach mine, located in Zacatecas State, Central Mexico.

The operation is 100% owned by Orla and covers over 160,000 hectares.

Orla also owns 100% of Cerro Quema located in Panama which includes a near-term gold production scenario and various exploration targets. Cerro Quema is a proposed open pit mine and gold heap leach operation.

## City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email [andrew@city-investors-circle.com](mailto:andrew@city-investors-circle.com)
