Pacgold Alice River drilling 11th August 2022

Comment

I recently met with the management of Pacgold and liked what heard, so am adding them to the Early Stage Exploration Watchlist, so as to keep an eye on their progress.

The reasons I liked the story were;

- *Experienced management team, done it before.*
- *Excellent jurisdiction*
- *Highly prospective exploration land for gold.*
- *Initial drill results are positive.*

Pacgold only IPO'd in 2021, so have achieved a lot in a small timeframe, so happy to follow their news.

Pacgold added to the City Investors circle Early Stage Companies Watchlist

Pacgold (ASX: PGO) Is a gold exploration company focused on progressing its key asset, the Alice River Gold Project in North Queensland, and has been added to the City Investors Circle early stage company watchlist.

=======

City Investors Circle is based in the financial district in the City

of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=======

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.
