Privacy Policy

This page is here to help you understand how we use the data we collect about you.

Last updated: 7th March 2021

Information collection

If you have given us information about yourself, either when we have met in person, or you subscribed to our mailing list, we take that information and enter it into a database, which is stored on Mailchimp.

Mailchimp is an approved data provider under the EU-U.S. Privacy Shield Framework and the Swiss-U.S. Privacy Shield Framework

Use of your information

We use the personal information that you give us (name and email address), for the purposes of:

• Sending you newsletters, news releases, or invitations to our free to attend events.
• Informing you about other relevant events, and updates from the companies we cover time to time. I.E. Webcasts, podcasts etc. etc.

Unsubscribing from our database

You may choose to unsubscribe from our email communications at any time without affecting our relationship.

Every email sent by us has an *'unsubscribe'* option at the bottom of the page, clicking this will delete your information immediately from our database.

How long we store your data

We will keep your personal information on an ongoing basis unless you request that we delete it.

Security

We restrict access to your data to our employees who have a specific need to use your data to perform their work. Your data is stored on Mailchimp, an EEU / Swiss approved provider of email services and data storage, based in the USA.

Our database is hosted by:
Mailchimp,
The Rocket Science Group,
LLC 675 Ponce de Leon Ave

NE Suite 5000.

GA 30308.
USA

Use of your data by a third party

We do not share your data with any third party without your consent.

• Should you attend a corporate presentation, it is understood the presenting company may request the name and email address of attendees for the purposes of updating them in the future.
• Attendees at our events are deemed to have given their permission to be contacted by presenting corporate clients, unless they have informed us to the contrary.

Online Security

The security of your personal information is important to us, but we acknowledge that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your personal information, we cannot guarantee its absolute security.

Links to Other Websites

For your convenience, we may provide links to other websites and web pages that we do not control. We cannot be responsible for the privacy practices of any websites or pages not under

our control and we do not endorse any of these websites or pages, the services or products described or offered on such sites or pages, or any of the content contained on those sites or pages.

Putting you in control
