Rouyn-Noranda, Quebec Radisson Mining Resources

Inc. ("Radisson" or the "Company") is pleased to announce the closing of a non-brokered private placement totalling \$1,534,606.47 with the strong participation of Mr. Renaud Adams, actual shareholders and the board of directors. The company raised gross proceeds of \$1,534,606.47 through the issuance of 3,333,334 Class A units (the "Unit") at a price of \$0.15 and 4,926,697 flow-through units (the "FT Unit") at a price of \$0.21. Each Unit consists of one Class A share of the share capital of Radisson and one-half of share purchase warrant ("Warrant") with each full Warrant entitling its holder thereof to purchase one Class A share at a price of \$0.20 for a period of 18 months following the closing date of the private placement. Each FT Unit consists of one flow-through Class A share of the share capital of Radisson and one-half of share purchase warrant ("Warrant") with each full Warrant entitling its holder thereof to purchase one Class A share at a price of \$0.25 for a period of 18 months following the closing date of the private placement. In accordance with Canadian securities laws, the securities issued under this private placement are subject to a four-month and one day hold period expiring on April 6, 2018.

Four insiders of the corporation and one company of an insider made contribution to the private placement for a total amount of \$165,000.27 resulting into 553,334 units and 390,477 FT Units.

In connection with this closing, Radisson paid an amount of \$5,250 in finder's fee and issued 35,000 finder's warrants entitling the holder thereof to acquire one class A share of

the share capital of Radisson at \$0.20 for a period of 18 months following the closing date.

The closing of this private placement is subject to final acceptance by the TSX Venture Exchange. As a result of the private placement, there are currently 124,223,893 class A shares of Radisson issued and outstanding.

The Company intends to use the gross proceeds of the Offering from FT Units for “Canadian Exploration Expenses” (within the meaning of the Income Tax Act (Canada)) related to the Company’s O’Brien gold project located along the Larder-Lake-Cadillac Fault in Quebec. The Company will agree to renounce such Canadian Exploration Expenses with an effective date of no later than December 31, 2017.

About Radisson Mining Resources Inc.

Radisson is a Quebec-based mineral exploration company. The O’Brien project, cut by the regional Cadillac Break, is Radisson’s flagship asset.
