Silver Bull Resources Grants an Option Entitling South32 to Form a 70/30 Joint Venture in the Sierra

Mojada Project for an Aggregate Investment of US\$100 Million.

Vancouver, British Columbia— Silver Bull Resources {TSX: SVB} announced that it has signed an agreement with a wholly owned subsidiary of ASX listed South32 Ltd. whereby Silver Bull has granted South32 an option to form a 70/30 joint venture with respect to Silver Bull's Sierra Mojada Project.

To maintain the option in good standing, South32 must contribute minimum exploration funding of US\$10 million during a 4 year option period with a minimum aggregate exploration funding of US\$3 million, US\$6 million and US\$8 million to be made by the end of years 1, 2 and 3 of the option period respectively.

South32 may exercise its option to subscribe for 70% of the shares of Minera Metalin S.A. De C.V. ("Metalin"), the wholly owned subsidiary of Silver Bull, which holds the claims in respect of the Project, by contributing \$US100 million to Metalin for Project funding, less the amount of the Initial Funding contributed by South32 during the option period.
