

Silver Tiger Intersects 3.3 m Of 1,153 g/t Silver Eq

[Silver Tiger Metals](#) (TSX.V:SLVR)

Has intersected 1,153.6 g/t total silver equivalent over 3.3 meters in the Sulphide Zone in Drill Hole ET-23-462.

These high-grade intercepts have tripled the known strike length of the Sulphide Zone, bringing the originally indicated 250 meters of strike extent to more than 750 meters.

SILVER TIGER INTERSECTS 3.3 METERS OF 1,153.6 g/t SILVER EQUIVALENT WITHIN 10.5 METERS OF 443.9 g/t SILVER EQUIVALENT AT THE SOUTHERN END OF THE SULPHIDE ZONE

Inc. (TSXV:SLVR and

OTCQX:SLVTF) (“Silver Tiger” or the “Corporation”) has intersected 1,153.6 g/t total silver equivalent over 3.3 meters in the Sulphide Zone in Drill Hole ET-23-462 from 520.5 meters to 523.8 meters, consisting of 378.7 g/t silver, 6.17 g/t gold, 0.31% copper, 3.10% lead and 6.31% zinc within 10.5 meters grading 443.9 g/t total silver equivalent from 513.3 meters to 523.8 meters consisting of 1.51.5 g/t silver, 1.98 g/t gold, 0.14% copper, 1.39% lead and 2.95% zinc in the Sulphide Zone.

These high-grade intercepts have tripled the known strike length of the Sulphide Zone, bringing the originally indicated 250 meters of strike extent to more than 750 meters.

SCP Research Analyst Brock Salier said,

“We see potential for narrow high-grade vein mining from the Sulphide zone, which now extends over 750m along strike and ~150-200m down-dip at an average grade of 473g/t Ag Eq to date, and with amenable geometry.

“Being conservative, even if true width is only 2-5m (today’s hits are wider but are parallel to the structure), the Sulphide zone could host 10-25Moz AgEq and is still open.

Today we maintain our BUY rating and our C\$1.00/sh PT based on US\$1.50/oz AgEq on the existing resource, and same again for a nominal 85Moz.”

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
