Siren Gold's Second Hole at Auld Creek Intersects Broad Mineralised Zone

Siren Gold Limited (ASX: SNG) (Siren or the Company) is pleased to provide an
exploration update following assay results from its first drillhole at the Auld Creek
Prospect.

Highlights

• Siren's second drillhole ACDDH005 at the Auld Creek prospect has intersected the Fraternal Shoot.
• ACDDH005 intersected 17.9m at 2.3g/t Au, 0.1% Sb for 2.6g/t AuEq from 59.4m, including:
o 3.9m @ 3.3g/t Au, 0.1% Sb for 3.6g/t AuEq, and
o 10.0m @ 2.8g/t Au, 0.1% Sb for 3.1g/t AuEq.
• Results confirm existing drillholes that include:
o 35.0m @ 4.1g/t Au, 2.9% Sb or 35.0m @ 11.0g/t AuEq,
o 6.0m @ 4.1g/t Au, 4.1% Sb or 6.0m @ 13.8g/t AuEq, and
o 34.0m @ 1.6g/t Au, 0.7% Sb or 34.0.0m @ 3.3g/t AuEq.
o 20.7m @ 5.9g/t Au, 2.6% Sb or 20.7m @ 12.0g/t AuEq.
• Assay results for the second hole ACDDH006 are still pending.
• The thickness and consistency of the first holes at Auld

Creek is very encouraging and consistent with recent trench results and historical drillholes.

Background

The Auld Creek Prospect is contained within Siren's Golden Point exploration permit and is situated between the highly productive Globe Progress mine, which historically produced 418koz @ 12.2g/t Au, and the Crushington group of mines that produced 515koz @ 16.3g/t Au (Figure 1).

More recently OceanaGold (OGL) mined an open pit and extracted an additional 600koz of gold from lower grade remnant mineralisation around the historic Globe Progress mine. Collectively these mines produced 1.6Moz at 10g/t Au.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=======

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.
