

# Small mining companies reaching new all time lows

## Market news

With the current volatility, (or should that be total meltdown?) in the markets, some junior mining companies are reaching new all time lows.

Amongst those we follow, [FAR Resources](#) at 2c, [Cascadero](#) at 1c, [Komet Resources](#), 5c, [Tinka](#) 9c, and [Avalon](#), once a billion dollar company, at 2.5c.
