

Start of two busy weeks for London mining investors

Mining investor news

Monday the 18th November marks the start of two busy weeks for London mining investors, with luncheon presentations and the 121 mining conference this week.

This is followed by Mines and Money the following week, and finishing off with Mining Capital Finance, Minex, and the final day of Mines and Money, all on the same day!

Friday the 29th November only has the Tin Conference, to end a frantic two weeks of presentations and hospitality.
