Strongbow Exploration featured in a “Poldark Legacy” Daily Telegraph article.

Strongbow Exploration {TSX.V: SBW} was recently featured in a Daily Telegraph Article about the revival of tin mining in Cornwall.

SBW's South Crofty project is a former tin mine that looks ripe for reopening as the tin price rises, offering jobs to an area of high unemployment in the process.

The Telegraph mentions the "Poldark legacy", referring to the TV program of that name based in Cornwall during the age of tin mining.
