CEO Richard Williams is due in the UK soon for meetings in regards to dual listing Strongbow on the London AIM market.

London is a main source for mining finance, and with Strongbow having a UK based tin resource at South Crofty in Cornwall, a London listing looks prudent, and overdue.

CEO Richard Williams is due in the UK soon for meetings in regard to listing Strongbow on the London AIM market.

London is a main source for mining finance, and with Strongbow having a UK based tin resource at South Crofty, near Truro in Cornwall, a London listing looks prudent, and overdue.

Williams recently secured a US\$3 million deal with Orion Mine Finance, as part of the AIM listing process, which is expected to be complete before the end of 2018. Having a listing in Canada will allow an easy listing process.
