Newcore Gold management comments

“We are delighted to be welcoming a new institutional investor and would also like to thank our existing shareholders for their continued support.

“Select insiders also participated in the financing, with Management and the Board of Directors continuing to be strongly aligned with shareholders by way of an approximate 24% equity ownership post financing.

“This funding allows Newcore to continue to advance our Enchi Gold Project on the back of a successful 90,000 metre drill program that has outlined not only potential resource growth at existing deposits, along strike and at depth, but also identified new discoveries from first pass drilling on early-stage targets, highlighting the district scale potential of the property.

“Newcore continues to be well positioned to continue to unlock the value of the Enchi Gold Project through the drill bit.”

Luke Alexander, President and CEO of Newcore Gold

The Company intends to use the net proceeds from the Offering to fund exploration and development expenditures at the Company's Enchi Gold Project in southwest Ghana as well as for working capital and general corporate purposes.
