	Location	**Para State, Brazil, Guyana**
	Website	**www.gminingventures.com**

Comment

This award is well deserved in my opinion, G Mining has been doing everything right since I began following the company.

My only concern is they may recieve a hostile bid whilst they're still a mid cap producer, whereas I feel this is a long term buy and hold stock.

Anglogold are a close neighbour in Guyana and it would not surprise me if GMIN and Anglo go head to head in bidding for G2 Goldfields' Oko project in Guyana

City Investors Circle is based in the financial district in

the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=======

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.
