## **Corazon Mining (ASX: CZN)**

Initiating coverage of this small cap company, listed on the ASX.

The company recently pivoted to precious metal exploration by purchasing the Chalice Gold Project from Westgold.

The project has a 191,000 JORC resource.

Project vendor Westgold holds a 19.9% stake in Corazon.

Westgold's strategic partnership will allow Corazon to commence early gold production via a toll milling agreement between the two companies, avoiding capex. This shortens the timeline to cashflow.

## **City Investors Circle is based in the financial district in the City of London**

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email [andrew@city-investors-circle.com](mailto:andrew@city-investors-circle.com)
