Ascot Resources pours first gold at Premier project

2024-04-22 07:30 ET – News Release

Mr. Derek White reports

ASCOT POURS FIRST GOLD DURING COMMISSIONING AT THE PREMIER GOLD PROJECT

On April 20, 2024, **Ascot Resources Ltd. (TSX: AOT)** poured first gold as a part of the commissioning process at the Premier gold project, located on Nisga'a Nation Treaty Lands in the Golden Triangle of northwestern British Columbia.

Derek White, president and chief executive officer, commented:

"The first gold pour is a hallmark commissioning milestone for Ascot, representing the culmination of years of hard work.

"We express our gratitude to our dedicated work force, our diligent contractors, our supportive shareholders and financiers, Nisga'a Nation, government officials, and the local communities of Stewart, B.C., and Hyder, Alaska – all of whom played important roles in seeing this first gold pour come to fruition.

"Commissioning of the process plant at PGP is continuing, with commercial production anticipated in the third quarter of 2024.

"The first gold pour was achieved from gold recovered through the gravity circuit.

“Commissioning of the carbon-in-leach circuit is currently under way. Ascot will provide a more comprehensive update on the commissioning progress in due course”.

Calidus Resources Pours First Gold at Warrawoona

Start of production and cashflow provides platform for next round of growth

Calidus Resources Limited (ASX:CAI) (Calidus) is pleased to announce that it has poured the first gold at its 100 per cent owned Warrawoona Gold Project located in the Pilbara of Western Australia from the commissioning of the gravity circuit.

The project has now entered the ramp-up phase, with the elution circuit currently commissioning, paving the way for the first bar sourced from the leach circuit to be poured next week.

Calidus Resources management comments

"Pouring our first gold on time and budget is the culmination of an incredible effort by all employees and contractors involved at Warrawoona.

"With production underway and revenue being generated, we have begun to lay the foundations for ongoing growth.

"Cashflow from Warrawoona will provide opportunities to increase production via the development of our Blue Spec deposit and help fund our highly promising gold and lithium exploration."
