City Investors Circle is based in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non-deal, small group, highly focused and engaged, with a lively Q and A to follow the main

presentation.

We create awareness and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=======

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.

All information used in the preparation of this communication has been compiled from publicly available sources that we believe to be accurate and reliable, however, we cannot, and do not, guarantee the accuracy or completeness of this.

Mining Review 29th March 2026

Mining Review 29th March 2026

An awful week for investors in precious metals and the companies that mine them.

Pacgold, Wesdome, and West Red Lake Gold Mines all announced positive drilling results.

City Investors Circle

City Investors Circle Mining Review 29th March 2026

An awful week for investors in precious metals and the companies that mine them. The war on Iran continues to weigh on the price of gold, although there are signs of a base forming in the price at the end of the week.

+++++++

Pacgold, Wesdome, and **West Red Lake Gold Mines** all announced positive drilling results, which were absorbed by a market more focused on the gold price than substantive news from gold mining companies.
