Ariana Resources' Chris Sangster addresses a full house at the Global Mining Finance Conference amid the splendour of The Armourers' Hall.

Global Mining Finance Conference London November 2023

The preliminary lineup for the TMX Group sponsored London Global Mining Finance Conference has been released.

They are; Anglesey Mining, Cabral Gold, Canuc Resources, CleanTech Lithium, Empire Metals, and Stakeholder Gold.

The companies will be joined by keynote speakers Graham Dallas of the TMX Group, and Chris Berlet, who has a very interesting presentation about metal funds.

The venue is the wonderful Pewterers' Hall, Oat Lane, Barbican, and the event opens its doors at 8.45 am and the program commences at 9.30 am.

There are two coffee networking sessions and a buffet luncheon with refreshments.

=======

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=======

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.

All information used in the preparation of this communication has been compiled from publicly available sources that we believe to be accurate and reliable, however, we cannot, and do not, guarantee the accuracy or completeness of this.
