Review December 2024

Market Review for December 2024 has been published.

The highlighted company is **Awale Resources.**

Ora Banda Mining was the biggest riser of the year at 207%.

We review the top tier watchlist of producing gold miners and an average gain of 70% over 2024, whilst the **gold** price rose 27%.

We maintain our stance on producing gold miners as being the place to invest in 2025 given the high gold price driving additional revenue to the bottom line.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.
