Cabral Gold Drills 20.9m @ 4.2 g/t Gold within Gold-in-Oxide Mineralization at the Central Gold Deposit, Cuiú Cuiú District

7th July 2022

Vancouver, British Columbia—(Newsfile Corp. – July 7, 2022) – **Cabral Gold Inc. (TSX.V: CBR) (OTC PINK: CBGZF) (“Cabral” or the “Company”)** is pleased to provide assay results from ten diamond-drill holes in the southern part of the Central gold deposit within the Cuiú Cuiú Gold District, northern Brazil.

Highlights are as follows:

- DDH306 drilled on Section N20895 returned the following mineralized intervals:
 - **20.9m @ 4.2 g/t gold** from 23.1m in oxidized and weathered material, **2.0m @ 32.3 g/t gold** from 35.0m and **3.0m @ 4.8 g/t gold** from 39.0m
 - **23.5m @ 1.7 g/t gold** from 50.5m in oxide material, **including 2.0m @ 17.0 g/t gold** from 68.0m
 - **35m @ 1.2 g/t gold** from 112.0m in fresh basement mineralization, **including 1.7m @ 6.8 g/t gold** from 121.0m

Cabral Gold management comments

“These latest high-grade drill results from the Central gold deposit indicate that at least two, possibly three high-grade veins exist within the broader Central gold deposit.

“These zones extend up to surface and have been weathered, resulting in high-grade oxide material, which is very similar to the situation at the MG gold-in-oxide blanket, where a

higher-grade core sits directly above the underlying primary gold deposit.

“These drill results imply the presence of more high-grade material at Central than previously thought in both the near surface oxide mineralization and the underlying primary basement gold deposit.”

Alan Carter, Cabral Gold President and CEO

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure

interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
