Management team strengthened with Appointment of Chief Financial Officer & Chief Operating Officer

Catalyst Metals Limited (Catalyst or the Company) (ASX:CYL) is pleased to announce the appointment of Mr Ben MacKinnon and Rob Williamson as Chief Financial Officer and Chief Operating Officer, respectively.

Mr MacKinnon is a Chartered Accountant with over 25 years' experience across mining,
mining contracting services, audit, capital markets, acquisitions and financings.

Most recently, Mr MacKinnon was Chief Financial Officer of copper and zinc producer Develop Global Limited from 2023 to 2026. Prior to this Mr MacKinnon held the role of Chief Financial Officer for private drilling contractor DDH1 Drilling where he oversaw multiple acquisitions and ultimately the listing of DDH1 on the ASX.

Mr Williamson is a Mining Engineer with over 20 years of experience both internationally and domestically. Most recently he was Executive General Manager for Northern Star's Yandal operations overseeing the Jundee and Thunderbox operating centres.

Prior to this Rob worked with Saracen as General Manager for Carosue Dam. Rob's years of experience have been spent across several other commodities and disciplines including various base metals, tunnelling and mining contracting roles.

The Board also thanks Mr Sylvain Guillaume who stepped into the role as interim CFO over the past 12 months, playing an integral role in the business during a period of uncertainty. Mr Guillaume will remain with Catalyst leading commercial projects.

Managing Director & CEO, James Champion de Crespigny said:

"We are pleased to have Rob and Ben joining us before the end of the year. Both bring a new take on the business.

“Their operationally focused, contracting mindset we hope places the Company in good stead for the next phase of the business’ life.

“I’d like to take the time to mention Sylvain Guillaume – a key member of the team for the last three years and who has stepped into a difficult situation, as he often does, and steered the finance department over the last 12 months.

“It is through Ben, Rob and Anthony Buckingham, we will manage the key value drivers of the business – finance and capital management, operations and project management.
