Tajiri Resources Launches Concurrent Non-Brokered Private Placement

VANCOUVER, BRITISH COLUMBIA – (April 13th, 2026) **Tajiri**

Resources Corp. (the “Company” or “Tajiri”) (**TSXV: TAJ**) is pleased to announce that it has launched a concurrent non-brokered private placement (the “Offering”) of up to 9,523,809 units of the Company (the “Units”) at a price of CDN\$0.21 per Unit, for aggregate gross proceeds of up to CDN\$2,000,000.

The Offering is being conducted concurrently with the Company’s previously announced upsized non-brokered private placement of units announced on April 9, 2026 (the “Concurrent Offering”).

The Concurrent Offering remains open and is expected to close on or about April 22, 2026, or such other date as may be determined by the Company, subject to receipt of all required approvals.

Each Unit issued under the Offering will consist of one common share in the capital of the Company and one-half of one common share purchase warrant. Each whole warrant will entitle the holder to purchase one additional common share of the Company at a price of CDN\$0.40 per share for a period of eighteen (18) months from the closing date of the Offering.

The Company expects that the Offering will close on or about the same timeframe as the Concurrent Offering, subject to customary closing conditions and the final approval of the TSX Venture Exchange (the “TSXV”).

In connection with the Offering, the Company may pay certain eligible finders cash fees of up to 6.0% of the gross proceeds raised from investors introduced by such finders, in accordance with applicable securities laws and TSXV policies. The net proceeds from the Offering are expected to be used for the exploration and development, and working capital purposes.
