Rumble Resources Tipped by Wilson Asset Management

Rumble Resources (ASX: RTR)

[Wilson Asset Management](#), based in Sydney, has tipped Rumble Resources, with its growing zinc assets, with a A\$40 cent target price.

The current market price is just 18 cents.

Rumble is focused on the Earraheedy Zinc-Lead project, located some 110km northeast of Wiluna, in Western Australia.

They declared a maiden resource for Earraheedy in April this year of 94Mt @ 3.1 per cent Zn+Pb and 4.1g/t Ag (at a 2 per cent Zn+Pb cut-off). *This resource places Earraheedy as one of the largest zinc sulphide discoveries globally in the past decade.*

Interestingly, the large maiden resource came only two years after the initial discovery hole, which is quite an

achievement.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
