Talamore Announces Construction Financing Package for the Coffee Project and Provides an Update on the Ongoing Early Works Program

---

VANCOUVER, BC,July 5, 2026/CNW/ – **Talamore Mining Corp. (TSX.V: TALA)** (OTCQB: TALMF) ("**Talamore**" or the "**Company**") is pleased to announce a comprehensive financing package to fund the advancement and development of its 100%-owned Coffee Project (the "Project") in Yukon, Canada.

The financing package meaningfully derisks the Project, provides flexibility for early pre-construction capital, and creates alignment with key stakeholders.

The financing, which is comprised of an equity offering, a tailored debt facility, and warrant exercise proceeds, together with C$30 million in cash on hand will provide the Company with up to approximately C$620 million in available capital to advance the Project toward construction in the first half of 2027 and beyond.

Financing Package Elements

The C$588 million financing package is comprised of a combination of debt and equity:

- Up to C$100 million brokered private placement of common shares
- C$400 million of committed capital in the form of a secured project debt facility; and
- Up to C$88 million in proceeds from the early exercise of existing warrants

Tim Warman, Chief Executive Officer of Talamore, commented:

> *“This financing package represents a major milestone for Talamore and the Coffee Project.*

“By combining institutional equity, project-level debt, and innovative capital solutions, we have secured a robust funding pathway that supports our transition into a construction-ready gold developer.

“The strong support from Pierre Lassonde, Trinity Capital Partners, and our existing shareholders reflects the quality of the Coffee Project and our collective confidence in moving the project forward.

“We believe this structured financing approach balances cost of capital, minimizes dilution, and preserves long-term upside and leverage for shareholders as we continue advancing Coffee toward development and production.

“This financing allows us to fund an ambitious early works program this year, with the objective of advancing the project to a formal construction decision in early 2027”.
