Thesis Gold Receives Amended 5-Year Exploration Permit

Vancouver, British Columbia–(Newsfile Corp. – August 8, 2024) – **Thesis Gold Inc. (TSXV: TAU)** (WKN: A3EP87) (OTCQX: THSGF) ("**Thesis**" or the "**Company**") is pleased to announce the receipt of an amended Mines Act permit (the "**Permit**") at its 100% owned Lawyers-Ranch Project in the prolific Toodoggone Mining District of northern British Columbia.

Highlights

- **5-year Multi-Year-Area-Based (MYAB) Exploration & Mine Permit**: A property wide MYAB permit has been authorized by the Ministry of Energy and Mines of British Columbia for the ongoing drilling and exploration activities to be conducted on the Lawyers-Ranch Project
- **Approved Activities:**
    - **Permitted drilling sites**: 3900
        - Geotechnical drilling sites: 46
    - **Exploration trails/access**: 260 kilometres
        - Additional 20 km of access modifications
    - **Fuel storage**: 225,000 litres
    - **Test Pits**: 100

With these approvals in place, Thesis is well-positioned to continue advancing geotechnical and exploration activities. The permitted drill site allowances and exploration access are crucial for ongoing project exploration, while the permitted geotechnical sites and test pits will lay the groundwork for engineering studies at Ranch.

Dr. Ewan Webster, President and CEO of Thesis Gold Inc. said;

“Our receipt of the amended 5-year exploration permit marks a significant milestone for Thesis Gold.

“This permit enables us to systematically advance our exploration and engineering efforts. With the ability to

conduct extensive drilling, expand our access, and continue our comprehensive geological and environmental studies.

“We are well-positioned to unlock the full potential of this prolific mining district. Additionally, the upcoming release of our Preliminary Economic Assessment (PEA) will be a major catalyst, providing valuable perspective into the project’s economic potential.

“We remain committed to responsible and sustainable exploration as we drive towards our goal of advancing a world-class gold project.”

—-

Ongoing Geological, Engineering, and Environmental Work: Over 10,000 metres of drilling focused on resource upgrading and expansion at both project areas, including undrilled prospects at Ranch; field mapping and prospecting at new claims; ongoing geochemical sampling and geotechnical drilling to support potential mine design; additional metallurgical studies; and continued environmental baseline data collection and monitoring at Lawyers and Ranch.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=======

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.

All information used in the preparation of this communication has been compiled from publicly available sources that we believe to be accurate and reliable, however, we cannot, and do not, guarantee the accuracy or completeness of this.
