Uranium Energy Corp. CEO Adnani Interviewed on the Uranium Market

Uranium Energy Corp. (NYSE: UEC)

CEO Amir Adnani is interviewed by Kitco on the dynamics of the **uranium** market moving into 2024, and the anticipated supply shortages, and why.

This is a must view for those interested in the uranium sector, Kitco is a quality company taking a serious view on the commodities space, and Amir Adnani has created significant shareholder value during his tenure at UEC.

I refer to the Kitco website often for commodity prices and news, it's a valuable resource for investors in my opinion.

The Kitco homepage is [HERE](#)

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=====

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an

experienced management team.
