

# Uranium Energy Corp. release new video interview

[Uranium Energy Corp. {NYSE: UEC}](#)

UEC have released an interview with Executive VP Scott Melbye just taken at the recent Natural Resource Symposium that took place in Vancouver, Canada.

**An Interview of UEC's Executive VP Scott Melbye with SmallCapPower at the 2018 Sprott Natural Resource Symposium in Vancouver.**

[Uranium Energy Corp. {NYSE: UEC}](#)

**UEC** have released an interview with Executive VP Scott Melbye, just taken at the recent Natural Resource Symposium that took place in Vancouver, Canada.

The uranium price has been edging up, but is still short of the required \$40 lb required for UEC to recommence production at their Texan in situ recovery plant.
