

West Red Lake Gold Envisions High-Grade Underground Satellite at Fork Deposit

[West Red Lake Gold Mines \(TSXV: WRLG\)](#)

Provided an update on the Company's interpretation and vision for the Fork Deposit at its 100% owned Madsen Property located in the Red Lake Gold District of Northwestern Ontario, Canada.

The Fork deposit currently contains an Indicated mineral resource of 20,900 ounces grading 5.3 grams per tonne gold, with an additional Inferred resource of 49,500.

West Red Lake Gold Envisions High-Grade Underground Satellite at Fork Deposit – Madsen Property

West Red Lake Gold Mines Ltd. (“West Red Lake Gold” or “WRLG” or the “Company”) (**TSXV: WRLG**)(**OTCQB: WRLGF**) is pleased to provide an update on the Company’s interpretation and vision for the **Fork Deposit** (“Fork”) at its 100% owned Madsen Property located in the Red Lake Gold District of Northwestern Ontario, Canada.

The Fork deposit currently contains an **Indicated mineral resource of 20,900 ounces (“oz”) grading 5.3 grams per tonne (“g/t”) gold (“Au”),** with an additional **Inferred resource of 49,500 oz grading 5.2 g/t Au.**

WRLG has recently completed a re-evaluation of the Fork deposit and has recognized a shallow, high-grade, low-plunging zone of gold mineralization that is located approximately 250 meters (“m”) southwest from existing underground development at Madsen.

The zone trends north-south and has been defined by previous drilling over an area of 400m by 250m and shows potential for further expansion along strike to the south. Average thickness of the zone is conservatively estimated at approximately 2m based on existing core length intercepts.

The shallow nature of this target will allow for systematic and efficient infill and expansion drilling from surface with holes averaging 150-250m depth. Fork will be a priority drill target for WRLG in 2025.

FORK DRILLING HIGHLIGHTS (HISTORIC) :

- **Hole RUM-08-49** Intersected **13.05m @ 13.97 g/t Au**, from 107.65m to 120.7m, Including **3.63m @ 30.79 g/t Au**, from

110.37m to 114.00m, Also including 1.97m @ 32.55 g/t Au, from 118.73m to 120.70m.

- **Hole PDM04-318** Intersected 9.3m @ 8.14 g/t Au, from 128.1m to 137.4m, Including 0.7m @ 85.70 g/t Au, from 128.1m to 128.8m, Also including 0.6m @ 21.3 g/t Au, from 136.8m to 137.4m.
- **Hole RUM-08-68** Intersected 1.3m @ 50.48 g/t Au, from 95.7m to 97.0m, Including 0.2m @ 169.09 g/t Au, from 95.8m to 96.0m, Also including 0.4m @ 53.27 g/t Au, from 96.2m to 96.6m.
- **Hole PG14-011** Intersected 3.5m @ 17.18 g/t Au, from 152.5m to 156.0m, Including 1.6m @ 33.80 g/t Au, from 154.4m to 156.0m.

Shane Williams, President and CEO, stated,

“What was once considered a somewhat broad, intermediate-grade portion of the satellite resource inventory at Madsen, Fork has now been re-envisioned as a high-grade near-mine resource expansion target that will be a top priority for the exploration team in 2025.

“The shallow nature of this target will allow for rapid advancement through surface definition drilling and, with its proximity to existing underground development, it’s not difficult to see a path forward for Fork making its way into the production pipeline at Madsen.

“This strategy is directly in-line with WRLG’s hub-and-spoke model for Madsen as we continue to evaluate and advance additional high-grade gold opportunities within the Red Lake district.”

**City Investors Circle is based in the financial district in
the City of London**

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
