Comment

I have always though West Red Lake were a bit too promotional, and now we get the news that a newsletter writer, Gwen Preston, is joining WRLG as an IR person!

They promoted hard last year, and the stock was recently above CAD\$1, but it's slipped back to the mid 60 cent range after the recent raise and "resources not reserves" news release correction, so it looks as though they are about to start promoting hard again.

Only time will tell whether this move will pay off.
