West Red Lake Gold aims to restart the Madsen Mine in 2025. In preparation, the Madsen site is very active: underground there are 2 to 3 development crews active at all times alongside 2 definition drill rigs, while on surface there are multiple

large capital projects happening alongside an exploration drilling program.

Shane Williams, President and CEO said,

> *“We have been active at the Madsen Mine site for over a year and are pushing to restart this mine in 2025.*

> *“We are keen to host this Town Hall meeting so we can communicate our plans, hear feedback from the community, and spread the word that we will be hiring for multiple positions over the next six months.”*

West Red Lake Gold’s Town Hall is happening Wednesday October 2 at the Red Lake Legion, located at 31 Highway 105.

The Town Hall will take place in two sessions (2:00 – 4:00 and 7:00 – 9:00).

Each session will start with a presentation by Mine General Manager Michael Procyk on the company’s activities and plans.

After that, everyone in attendance is welcome to engage with management from all Madsen Mine site departments about job openings, questions, and concerns.

The Company encourages anyone interested in working at the
